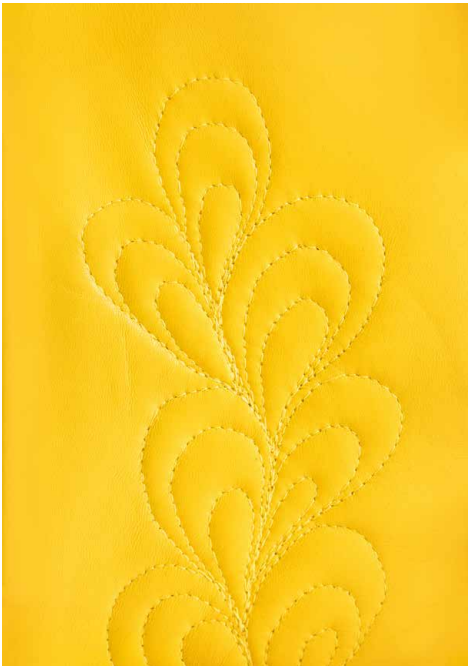
SOMETHING



More space for your creativity

Do you want to get creative and sew your own clothes, quilts, or accessories or individually decorate with embroidery? Then the models in the bernette 70 Series are just right for you!

They are easy to use, have lots of functions, have a high stitch quality, and are also durable and attractively priced. You have the choice of a sewing machine, an embroidery machine, or a combined machine that can do both. Experience creative sewing enjoyment at the highest level.

At a glance

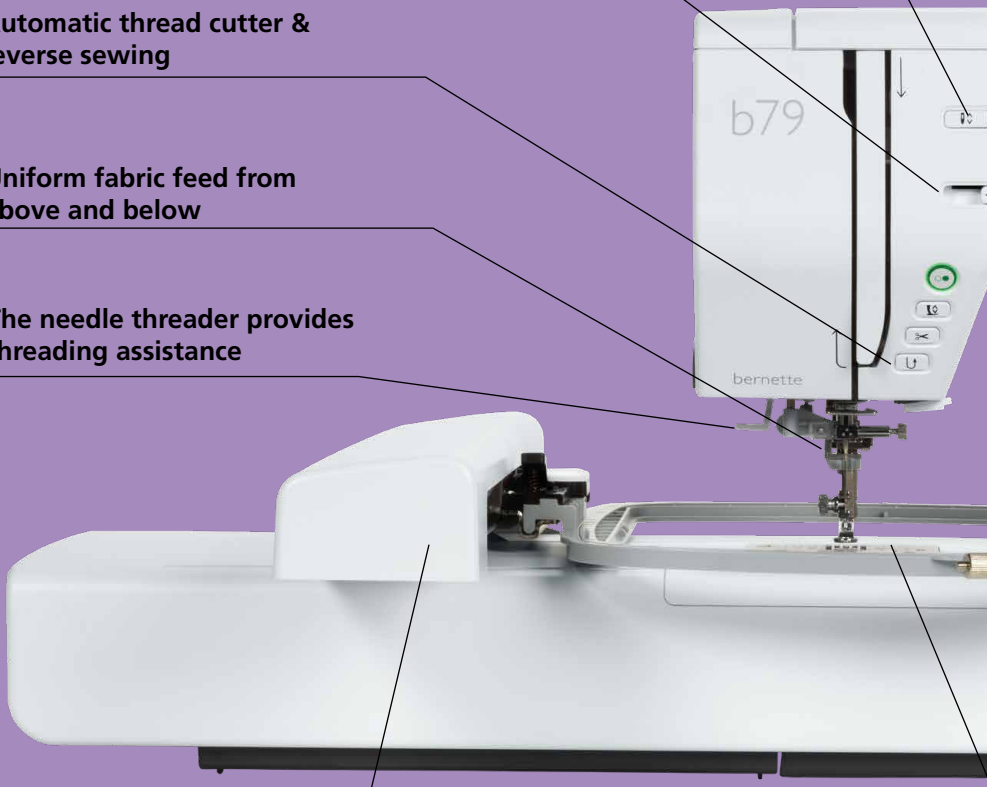
Needle stop up/down & automatic securing function for securing the ends of the seam

Individually adjustable sewing and embroidery speed

Automatic thread cutter & reverse sewing

Uniform fabric feed from above and below

The needle threader provides threading assistance



Embroidery module with embroidery hoop detection

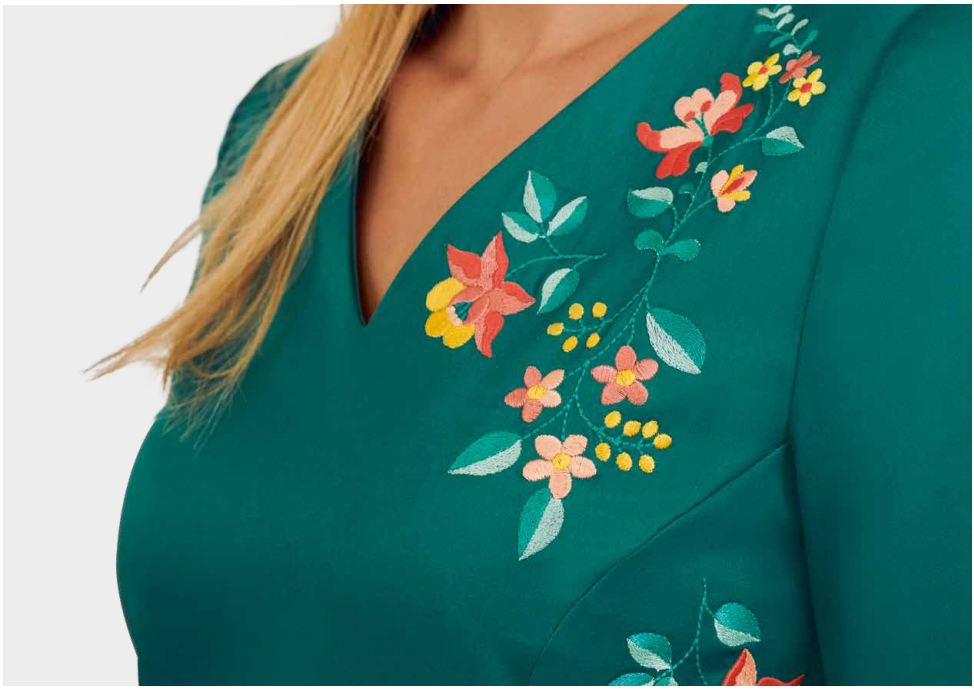
Easy navigation via the 5-inch color touch screen, incl. sewing tutorial, creative consultant and Stitch Designer

4 bright LEDs provide excellent illumination of the sewing area

Simple, quick operation via multi-function knobs

Practical drop-in bobbin hook system with 7 mm stitch width

Knee lever: allowing the presser foot to be raised/lowered



bernette 79

The b79 is the top model in the series. It offers everything creative people need – it can sew and embroider. This integrated machine combines all the sewing functions of the b77 and the embroidery functions of the b70 DECO. Want to decorate your homemade sewing projects with embroidery? No problem! It comes preloaded with over 200 embroidery designs, and others can be uploaded via USB flash drive. The motives can be edited on the touch screen to rotate, flip, or combine pattern elements. Included with the machine are ten presser foot soles, a large extension table, a knee lever, an embroidery module with three embroidery hoops and a foot control with back-kick function. Everything you need to let your creativity run wild.

bernette 77

The b77 focuses exclusively on sewing and quilting. It has 230 mm of space to the right of the needle for creative projects, and four LEDs provide bright illumination of the sewing area. A total of 500 stitches are available to choose from, including 22 utility stitches, 133 decorative stitches, 3 alphabets, 35 quilting stitches, and 17 buttonholes. The maximum stitch width is 7 mm and the maximum stitch length is 5 mm. As well as practical functions, such as the speed regulator and needle stop up/down, the b77 also features a needle threader and an automatic thread cutter. Eight presser foot soles and a large extension table are included.

bernette 70 DECO

The b70 DECO is a real specialist. As a pure embroidery machine with no sewing function, it offers everything for decorating clothing or accessories. It comes preloaded with more than 200 embroidery motives, and you can also upload your own embroidery motives via USB flash drive. It is easy and convenient to edit the motif directly on the large color touch screen. The comprehensive functions allow you to flip, rotate, position, and combine pattern elements. With a maximum embroidery area of 260 x 160 mm, large motives are possible. Three hoops of different sizes are included.
